

NOTE: This is the best information available as of October 18, 2026. It has been double- and triple-checked, but meeting dates and status (in person vs. virtual vs. hybrid) continue to change. There is a link for each meeting (in [blue](#)). Please be cautious about meetings listed as hybrid or virtual. Increasingly, we are finding that virtual meetings do not make everything virtual, and the virtual quality is highly variable. Finally, please be sure to recheck details before buying plane tickets or reserving hotel rooms.
